We have been talking about the move. It is here. All of the staff and several volunteers will be moving items from our Ft. Pierce location to our new home this coming week, so if everyone seems to be out of the office a lot, know that they are working hard.

The American Red Cross North Treasure Coast Chapter is relocating its administrative offices from 2211 South 25th St in Fort Pierce to 540 NW University Dr. in Port St. Lucie effective November 1, 2008. Sarah Ruwe, CEO of the North Treasure Coast Chapter stated that "we are excited to expand our presence in St. Lucie County. We will continue to offer Health and Safety Courses and other services in Fort Pierce, and we will also have the capability to expand our services into the Port St. Lucie area.

Thank you to our volunteers

If you did not join us on Thursday evening, you missed a wonderful opportunity to meet with our disaster leads and talk to them about their experiences. They shared with us what their job is and how you can help as well as the rewards they have gotten from helping in the event of a disaster. Several have been out to Texas and some of the other recent events.

In attendance at our Volunteer Meeting included 21 volunteers, 5 of whom were leadership volunteers, and 5 staff members.
