What's Happening?

Congratulations to Butch Clinton who was recognized at the Sebastian Chamber of Commerce Luncheon at Captain Hiram's on Tuesday, December 4th for his volunteer service in DSHR. Butch has been deployed on three national disaster this year, Daytona Tornados, New Jersey floods and the California wildfires.

Bill Condon, our Disaster specialist, is at the National Disaster in Aberdeen, Washington, working in client services, doing outreach. Bill will be there through the holidays returning on January 1st.

Heroes Needed

We are looking for a few good men and women who may be willing to serve as Committee Members or HEROES for the Heroes Campaign. Committee members are asked to recruit a minimum of 3 Heroes who agree to raise at least \$1,000 by any legal means. The campaign begins on March 17 and runs through April 4. Heroes can be individuals or businesses. They raise monies by asking friends, neighbors, employers, co workers, or customers to contribute and participate. This campaign will be a lot of fun, and will have considerable media attention. All Committee Members and Heroes' pictures will be published in area newspapers recognizing their Heroic efforts.

This is our signature annual fundraising event to support our programs in Indian River and St. Lucie Counties.
